

ANB Podium Program Overview

The ANB Podium Program was created to acknowledge the leading performances of the midget and youth athletes in the province for their respective events. The ability to recognize athletes at this level is extremely important in creating excitement in the sport, developing a team atmosphere, and retaining them in the sport of athletics.

The Podium Program is designed to be a stand-alone program that offers benefits to include training, competition, clothing, and other exclusive opportunities.

Selection Process

The program is intended for midget and youth age athletes during the competitive year. Therefore, athletes will, normally, have three years to gain selection into the program (1st and 2nd years midget & first year youth). Second year youth athletes will not be included in program rankings as they will not be of youth age the following year.

Identification and notification about selection into the program will take place around the first week of November. Registration will be done online through trackiereg.ca and will need to be completed by the end of the month (November 30th).

Athletes will be selected by top 3 rankings from both the indoor and outdoor seasons in ANB Championships Events. As well as the top 5 NB finishers at the Atlantic cross country championships.

Note:

1. Athletes competing in a higher age class will NOT be eligible for inclusion into the program. EX. Midget competing in 400m or different weight implements.
2. 2nd year Bantam athletes achieving a performance that is better than the 3rd ranked midget athlete will be included into the program while not displacing midget aged athletes.

ANB Championship Events

Indoor Midget – 60m, 200m, 300m, 800m, 2000m, 60H, HJ, LJ, TJ, SP, Pent

How did Athletes Join the Program?

Identified athletes were sent identification and registration packages via email in the first week of November regarding their accomplishments and about the opportunity to join the program. Athletes were required to fill out an online registration form and pay the required team fee. Athletes must also continue to remain a member in good standing with Athletics New Brunswick.
